MAKING OUR MARK

2011 PANORAMA

444 Wellesley Street, Weston, MA 02493-2632 - (781) 529-8030 - Enrollment 746

Making Our Mark

Throughout the years, we've always made our mark. Whether it was being the star on the junior broadway stage, painting a picture that made it to the art show, or scoring the winning goal in a kinder-kicks game, our mark has been left. Left in the hearts of our family, friends, and classmates, to forever be remembered. As we grew, our marks did so as well. And, our knowledge and talent led to incredible accomplishments. Our acheivements will never be forgotten, and the memories of the class of 2011 will live on forever. Though we've left an impact throughout our lives so far, it's our turn now, to embrace our futures, and broaden our horizons, as we leave to make an even bigger mark on the world. Each and everyone one of us can make a difference, it's our turn now to leave our mark, our Wildcat mark.

A mark is made by each student, team, club, faculty and staff member. As we cross paths, we impact one another in ways we will never truly understand. The time is now to write a legacy, regardless of whether it be on the field, canvas, or stage. The choice is yours... So what will it be?

I would like to thank my parents for putting up with my shenanigans. You have been funny, supportive, loving and often times as immature as I am throughout the years. And to my buddies, thank you all a ton. You have made adapting to a new school and town easier than I ever would have imagined. Too many good pals and absurd moments to start. And to my siblings, I love you all more than you could possibly imagine. We've had countless ridiculous stories and unforgettable moments. To all, much love and you'll be missed in years to come.

Dear peers, What would you all like to be / here in this "land of opportunities". This, I guess, is what they will all say / so why don't you try something new out today? / You complain there will not be enough time / let's hope you will see the truth in these rhymes. / Halloween today, Christmas tomorrow / New Year's the next, can you guess what'll follow? / Oh yes, 2011, the time for you to leave / This saddens my heart, this leads me to grieve / All this you've done, there's so much potential / never forget that hope is essential. / From 9th grade we've come, to graduation we'll go / never forget me, your friend, Andrew Ho.

--For about 14 years, I've been hitting that alarm clock at 5, thanking Him in the morning and making sure it was set at around 11 every night. That's 6 hours of sleep. I've been getting on the bus at 6 in the morning and coming home at 7 every night. That's 13 hours of gratification. From the good times to the bad times, I am going to miss everyone! We've taught one another things and shared experiences that others may never have the opportunity to witness. In this bittersweet moment, I hope we celebrate together and promise to never forget one another!

It won't be until many years from now, that I will have something insightful to say about high school. For now, all I know is that my experience here was not a story of triumph ater four years of pushing myself beyond my limits. Instead, my experience here has been a triumph after four year of learning to accept my limits. There is no need to feign invincibility ad greatness to be successful. There is only need for awareness of ourselves and for that awarenss to be what guides us toward our success.

"Memory is a child walking along a seashore. You never can tell what small pebble it will pick up and store among its treasured things. ~Pirece Harris, Atlantic Journal

As people go through life, they obtain memories that are either good or bad. Memory or a child walking along seashore and picking up the pebbles. When people go through life, they pick up memories, like small pebbles are picked up when walking along the shore. As people go through like they pick up memories and they store them in their memory banks as years go by and events happen in their life. People have moments where they create memories, but memories are with you for your whole life. Unless people have memory loss because they were in an accident.

CROSS COUNTRY

We Run This

"The chemistry & closeness of this team is what set this year apart from others. We did everything together and did a really good job of pushing each other through all of the tough races and workouts. This bond allowed us to have the best running times the Guys' team ever had in my four years as a member. I know the underclassmen will continue the improvement of Weston Cross Country, but the 2010 season will forever be - the year of the "Super Six.""

The day celebrates African-American authors and literacy as a part of Black History Month. Throughout the day, teachers, students, and staff read aloud and performed scenes from their favorite African-American authors. For the second time, we were graced by the presence of Boston's Poet Laureate, Sam Cornish, who read from his poems and talked about his life and writing,

2011 marked the second year in a row that Doc. Prov ran a service trip to New Orleans. Student volunteers worked to rebuild houses that were destroyed in Hurricane Katrina. The students also got to experience some of the best that Louisiana had to offer through their trip to see a Mardi Gras Parade. The students on the trip not only served those in need, but created memories that will last a life time.

Today is your day.
You're off to Great Places!
You're off and away!
You have brains in your head.
You have feet in your shoes.
You can steer yourself any direction you choose.
You're on your own. And you know what you know. And YOU are the one who'll decide where to go.
Kid, you'll move mountains! Your mountain is waiting.
So…get on your way!

You have accomplished great things in high school, both in and out of the classroom. Weston High and the Island School have given you great opportunities and experiences. We are SO proud of you and know that you will "make a difference" in the world! Your energy and passion will take you a long way. Follow your dreams... live your dreams... And they will come true. We will enjoy being on the sidelines watching you and always cheering you on. We will really miss you next year, the household will be a mere three-some.

Bella,
We are already missing your smart sense of humor and great heart. You make everything around you interesting... to say the least.
We are nearly clueless on what your future will be. A philosopher, a politician, or an architect? You have convinced us with equal passion of each of these and more.
The truth is that it doesn't much matter, you will make a difference in whatever you decide to do.
We are very proud of you.

I admire your athletic and musical talents, your sense of humor, and your ability to take things in stride. Above all, I respect your gift for writing your own song lyrics... I hope you never stop believing in "Marigolds"! Love you, Elizabeth

Discuss! They don't make them any better than you. I'm so proud to call you my brother. If you ever need somebody to laugh at your jokes, call you ugly, or tell you how many minutes it takes to heat up your food in the microwave, I'm just a phone call away.
Love you! Carolyn

I will miss having you around next year. Good luck in a world of communal bathrooms, twin beds, and snoring roommates! Pop-tarts, Easy Mac, and Oreos are acceptable food groups in college, so you should be all set. And, I'll be sure to alert Brady of the vacancy in the big brown room - don't be surprised if you find him under your covers when you come home to visit! Much Love, Pamela

Congrats, Broski! Assuming you follow the Charpie route, you only have six more years of school to go! For not having an older brother for all those years, you turned out pretty well. Best of luck from your godson, Basil

Always know how special you are and how much joy you continue to bring to our family. We are so proud of all your accomplishments and there are many! Wherever life takes you, your family will be there for you.

Hey Wi'm!
A lot of people know that you are a really good tennis player. We are so proud of your tennis achievements and grateful that tennis helped you in so many ways. Tennis helped you become independent and self-sufficient; it helped you adapt to the unexpected; and it built your self-confidence. We are also proud of your intelligence and talent in other ways. Even though playing the oboe was not your favorite thing, you were really good at it; and although playing drums was not our favorite thing, we are proud that you have taken it to such a high level. Most importantly, you are a good person: You have integrity and you are honest, caring, affectionate, and warm. We love you and look forward to seeing what you become in college and beyond!

To laugh often and much; to win the respect of intelligent people and the affection of children; to earn the appreciation of honest critics and endure the betrayal of false friends; to appreciate beauty; to find the best in others; ... to know even one life has breathed easier because you have lived. MARGARET EDITH DILLAWAY

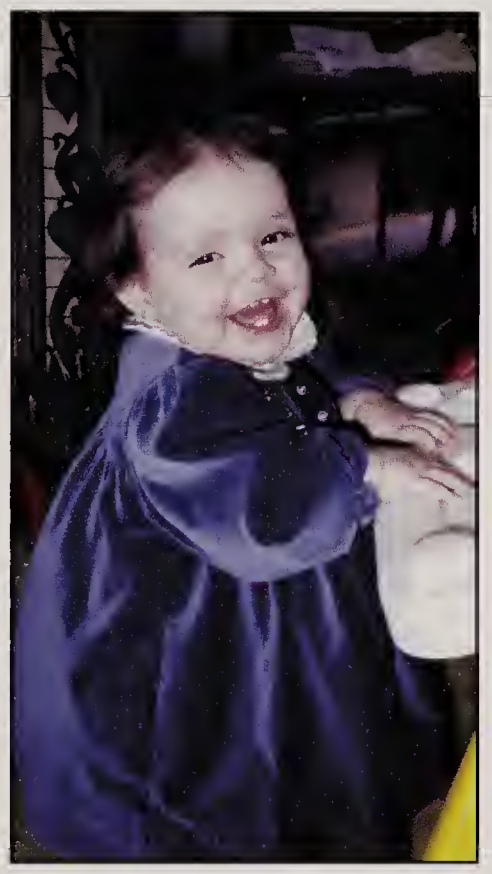
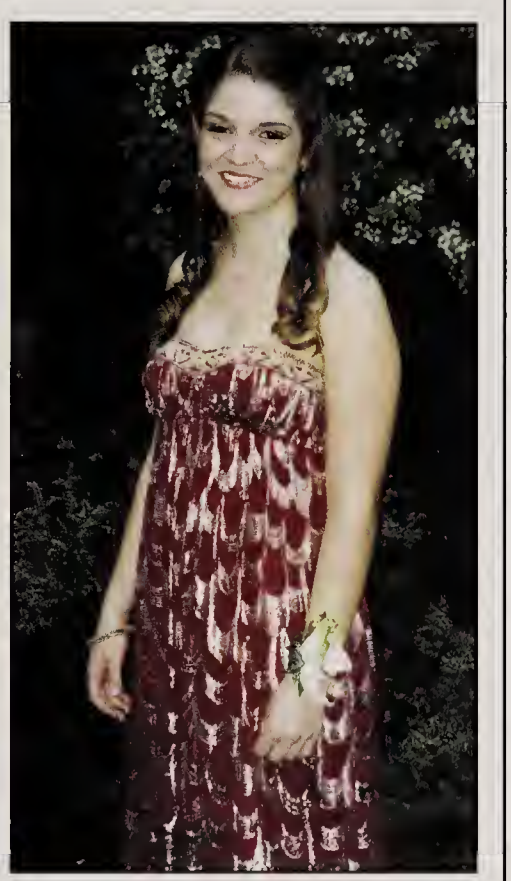
May your recipe for success and happiness in life include: service & simplicity, faith & fellowship, dreams & discovery, exploration & empathy, laughter & love. Spread good cheer and heaps of humor. Blend old friends with new ones. Sift together common sense with spicy adventures. Scoop up lots of fun. Dole out compassion and commitment. Eat humble pie. Taste the exotic. Savor camaraderie. Knead in time to relax. Spoon out gallons of gelato & generosity. Serve ample portions of sound advice and patient listening.

So follow trusted directions but add your own unique flavors. Use the proper tools but be adaptive in different situations. Wear protective mitts for trouble hot spots. Release pent-up steam. Clean up your messes. Know that chefs rule yet assistants are invaluable. Don't over bake or you will burn out. Laugh at your mistakes but learn from them--cookies crumble, cakes collapse and souffles do fall. When in doubt, sweetness reigns, for you are the salt of the earth.





Dearest Molly,

We so admire your sense of humor, unflappable & determined spirit, inquisitive nature, and a zest for living-traveling-cooking-singing-dancing-acting-shopping-learning. We have watched your tastes mature from NANS tea parties to Starbucks' cappuccino, RDC Belgian waffles to French croissants, GS campouts with s'mores to a Roman summer study abroad with pasta, sparkling cider to Prosecco toasts, Twizzlers to truffles, PB&J to Nutella, mac-n-cheese to gnocchi. May you always introduce new friends to Cape Cod lobster bakes, New Orleans jambalaya and Shanghai scorpions on a stick. As curtains close at WFS, WDW, TCO, ATJ, NBSB, MWO, WHSC, FPCWYC - we applaud your roles from Rose to a major general's daughter, from Shakespeare to Broadway, from Ravel to Mozart. We will relish the memories of the Duomo di Firenze, The Great Wall of China, Top of the Rock in NYC, St. Paul's Cathedral in London, Chateau Frontenac in Quebec City, Mt. Rattlesnake and Mt. Washington. May there be more vistas to enjoy as you take the challenge to scale new heights. With your camera & curiosity, open mind & loving heart, moral compass & love of learning, plus your proverbial pair of flip-flops or ever-stylish boots-many new jouneys await you. May you have the "time of your life"!

We're all so proud of you!
